

Fatima Al-Hassan

Machine Learning Engineer

fatima.alhassan@example.com +971 50 123 4567 Dubai, Dubai, AE fatimaml.example.com

GitHub LinkedIn Kaggle

ML engineer building production recommendation and ranking systems at scale. Experienced in feature stores, model monitoring, and responsible AI guardrails for consumer platforms.

EXPERIENCE

Senior Machine Learning Engineer

Jul 2021 – Present

GulfStream Media · Dubai, UAE

Own the home feed ranking stack serving 200M daily impressions.

- Shipped two-tower retrieval model improving click-through rate 19%.
- Built feature store on Feast reducing training-serving skew incidents to zero.
- Implemented bias audits and explainability reports for editorial compliance.

Data Scientist

Feb 2018 – Jun 2021

CareConnect Health · Abu Dhabi, UAE

Developed NLP models for patient intake classification and no-show prediction.

- Reduced clinic no-show rate 14% via SMS timing optimization model.
- Deployed BERT-based triage assistant with human-in-the-loop review.

VOLUNTEER

Workshop Lead

2020 – 2025

Women in AI Middle East

Teach introductory ML workshops for university students and career switchers.

- Mentored 60 participants through first Kaggle competitions.
- Co-authored Arabic-language PyTorch tutorial series.

EDUCATION

Khalifa University

Sep 2016 – Jan 2018

Master of Science, Computer Science · 3.95/4.0

- Deep Learning
- Statistical Machine Learning
- Big Data Analytics

American University of Sharjah

2012 – 2016

Bachelor of Science, Computer Engineering · Magna cum laude

- Algorithms
- Linear Algebra
- Probability and Statistics

PROJECTS

RecSys Eval Harness

Mar 2023 – May 2024

GulfStream Media · application · Creator, Maintainer

Benchmark suite comparing ranking metrics offline vs online A/B outcomes.

Recommendation systems, Evaluation, Python

- Adopted by GulfStream ML platform team as standard pre-launch gate.
- Supports NDCG, MAP, diversity, and exposure fairness metrics.

Arabic NLP for Healthcare

2023 – Nov 2024

CareConnect Health / Khalifa University · volunteering · Research collaborator, Speaker

Volunteer research collaboration annotating clinical notes for dialect-aware NER.

NLP, Arabic, Healthcare, NER

- Released 12k labelled sentences under research license.
- Presented poster at EMNLP 2024 workshop.

SKILLS

Machine Learning

Master — PyTorch, TensorFlow, XGBoost, Two-tower models, Bandits

MLOps

Senior — MLflow, Feast, Kubeflow, SageMaker, Evidently AI

Data Engineering

Competent — Spark, dbt, Airflow, BigQuery, Delta Lake

AWARDS

Kaggle Notebooks Expert

Mar 2024

Kaggle

Achieved Expert tier for consistently published reproducible ML notebooks with high community engagement.

CERTIFICATES

TensorFlow Developer Certificate

Sep 2023

Google

AWS Machine Learning Specialty

Jun 2022

Amazon Web Services

PUBLICATIONS

Fairness Constraints in Feed Ranking

Apr 2025

ML Ops Community

Practical techniques for demographic parity monitoring without sacrificing engagement metrics.

LANGUAGES

Arabic — Native

English — Fluent

French — Intermediate

INTERESTS

Generative Art

Diffusion models, Processing, Exhibitions

Desert Photography

Astrophotography, Liwa Oasis, Long exposure

REFERENCES

Omar Khalid

Fatima ships models that survive production traffic. Her feature store work eliminated an entire class of bugs our team had fought for years.
